

Emergency Solutions Grant (ESG-23 & ESG-24)

The ESG-24 application closed on August 4th, and the HUD Programs team is now in the “Quiet Period” in regards to ESG 2024 applications. Agencies can still contact us regarding the current ESG-23 Grant Period. We are expecting award announcements in September.

ESG-23 is in the final quarter of its program year, ending on October 31st, 2023. Agencies have until this deadline to expend any awarded funds.

For further information please contact Drew Geer @ 816-759-6630 or drew.geer@mhdc.com

Home Repair Opportunity Program (HeRo)

Planning to release application for HeRo in September or October. Looking for new agencies all around the state.

For further information please contact Marquetta Broome-Walker @ 816-648-0543 or m.broome-walker@mhdc.com

Housing Stability and Eviction Diversion Program (HSED)

The FY 2023 and 2024 applications for the Housing Stability and Eviction Diversion (HSED) program are now closed. Funded HSED agencies can provide assistance related to eviction relief, case management and legal services intended to keep low to moderate-income Missouri tenants financially impacted by COVID-19 housed. Since the 2023 program launched on March 1st, HSED agencies have provided over \$500,000 in direct financial assistance to prevent evictions and promote ongoing housing stability.

The Affordable Housing Assistance Program (AHAP)

This program offers a 55% tax credit allocated to not for profit or community based organizations to solicit donations from eligible Missouri businesses and individuals with business interest who donate to the agency.

Two types of tax credits-

Operating Assistance Credits: for general operating functions of the agency

Production Credits: for the acquisition, rehabilitation or new construction of a site-specific affordable housing development or to fund rental assistance for an affordable housing development.

For further information please contact Pamela Sanders @ 816-759-6684 or psanders@mhdc.com.

The Missouri Housing Trust Fund (MHTF)

This provides agencies money to support Homeless programs intended to serve low-income households in Missouri with their housing-related needs. MHDC has identified the following grant types in order to meet these needs: Housing Assistance, Emergency Assistance, Home Repair, Operating Funds, and Construction/ Rehabilitation.

MHTF FY2023 just finished Quarter 1 on July 1st 2023 and the 25% deadline on August 1st, 2023.

MHTF FY2024 is now taking applications until September 15th, 2023 at 5pm. All application materials, the Allocation Plan and the NoFA can be found on the [MHDC website](#).

All questions about MHTF can be directed to Lisa Moler at Lisa.moler@mhdc.com or at 816-759-7228.

The Missouri Housing Innovation Program (MoHIP)

This Program is designed to support 2 grant types; *Homeless Management Information System (HMIS)* and Coordinated Entry System (CES).

Coordinated Entry System funds: are intended to assist grantees with the operations of their CoC Coordinated Entry System. This includes providing pre-screening, access, assessment, and referral services for those experiencing a housing crisis upon entry to the homeless service delivery system.

Homeless Management Information System (HMIS) funds: are intended to assist CoC HMIS Lead Agencies in providing support to homeless provider agencies in their use of HMIS in order to record and track accurate data, build reports & forms, and provide data to MHDC or appointed agency.

MoHIP FY2023 just finished Quarter 2 and the 25% deadline on July 1st, 2023.

MoHIP FY2024 will begin taking application on September 4th, 2023 until October 6th 2023 at 5pm.

Application materials and NoFA will be available September 4th, 2023 on the MHDC at <https://mhdc.com/programs/community-programs/missouri-housing-innovation-program-mohip/>.

All questions about MoHIP can be directed to Lisa Moler at Lisa.moler@mhdc.com or at 816-759-7228.

2023 Homelessness Study

The Study is currently underway and is expected to be complete by the end of the year!

The 2021 study can be found on the MHDC website [here](#).
